Every plan: your site on a domain registered to your business, about $15 a year and yours to keep.

01 Plan

SHOPFRONT

For a local shop that needs a clean, polished site and no hassle.

$179 /mo

+ $500 one-time build Due at checkout: $679

What you get

- **Designed and built by us**
  See it free for 7 days before you pay.
- **Hosting**
  We keep your site online.
- **Your domain connected**
  Your site on your own domain.
- **Google Business Profile linked**
  Your Google listing opens your site.
- **2 minor revisions a month**
  Hours, prices, a photo, a line of copy.
- **Major revisions at a discounted fee**
  A new page or a redesigned section.
- **Live within a week**
  Counted from the day you pick a plan.

How it works

01 First
Your free preview
We build a private preview in your name. The link stays up for 7 days. No card.

02 Day 1
Pick Shopfront and pay
Build fee plus your first month. Stripe emails your receipt.

03 Days 1 to 6
Setup
We connect your domain and link your Google Business Profile.

04 By day 7
Your site goes live
We send you the live link the day it goes up.

No contract. Cancel any month.
Your site lives on a domain registered to your business, about $15 a year and yours to keep. No domain yet? We set it up together.
